# WELCOME TO GRANT PARK

ATLANTA'S OLDEST PARK WELCOMES YOU TO A FULL WEEKEND OF FUN!

## GRANT PARK CONSERVANCY SUMMER SHADE FESTIVAL 2024

For more than two decades, Atlanta art and music lovers have flocked to Grant Park each August to bid adieu to summer at the Summer Shade Festival. We've got two days of outdoor fun planned for all ages including a 5K Run for the Park, food trucks, craft beer, a bouncy house village for kids, and a music line up that just gets better every year. And did you know you can ride your bike to the festival and park it for free at the bike valet?

So, bring your blanket, bring your whole family (but no pets, please – city regulation), and spend summer's final weekend at the Grant Park Summer Shade Festival.

Each year the Grant Park Conservancy produces the Summer Shade Festival and all proceeds support the Conservancy's work in historic Grant Park.

Thank you for attending, and we hope you enjoy your final hurrah of summer!

# FOOD VENDORS

## GRANT PARK CONSERVANCY SUMMER SHADE FESTIVAL 2024

This year we've yet again stepped up our food game and are offering quite an expansive variety of cuisine. Don't worry, we aren't getting rid of traditional festival fare like corn dogs and funnel cakes, but we are excited to offer healthier options like veggie paninis and superfood smoothies. You will be able to choose from a multitude of food vendors serving up everything from Hawaiian noodles and liquid nitrogen ice cream to Cajun chicken eggrolls and French crêpes. Whatever you're craving and whatever your budget, you'll be able to find something to satisfy your hunger.

# COMMUNITY ★ PARTNERS

Grant Park is not just a neighborhood surrounding a park of the same name; it is a community. As such, the Summer Shade Festival welcomes numerous Community Partners to exhibit at the festival. We hope that in between listening to some live music, grabbing a beer, and perusing our Artist Market you will take the opportunity to talk with our community partners and learn how they are helping to make Grant Park such a wonderful place.

## BIKE VALET

We're thrilled to offer a bike valet during the festival again this year. This means you can go green, ride to the festival and easily park for free at the Bike Valet. You'll find it just inside the park next to the Milledge Fountain at the intersection of Milledge Ave and Cherokee Ave.

Parking is complimentary, but donations to the Atlanta Bicycle Coalition will be accepted to support the organization's mission to create a healthier, more sustainable Atlanta by making it safer, easier and more attractive to bicycle for fun, fitness and transportation.

# GRANT★PARK CONSERVANCY

## The Organization that Supports the Park!

The Grant Park Conservancy (GPC) is the non-profit organization committed to the restoration, beautification, and maintenance of historic Grant Park.

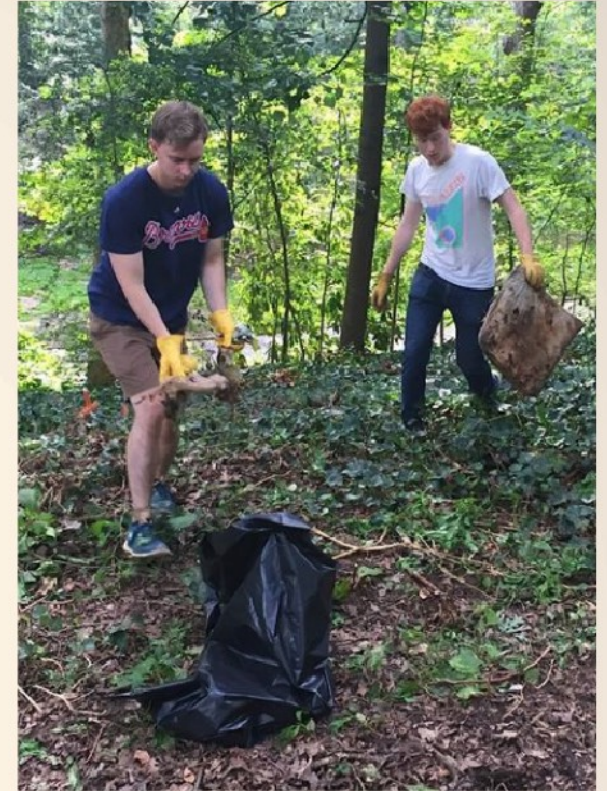

GPC is funded largely by donations and we need your support to continue our work in the park! There are several ways you can get involved:

- Make a donation at [www.gpconservancy.org/donate](http://www.gpconservancy.org/donate).
- Purchase tickets to the Canopy Soirée on February 28, 2025! Visit the GPC website for more information in the coming months.
- Volunteer with Project GRANT! Project GRANT workdays are generally the second Saturdays and third Fridays of the month and we need volunteers to help with mulching, limb and litter cleanup, invasive removal, and more. Find out more and sign up to volunteer by clicking the Project GRANT option on the Events tab on our website.

Our most recently completed project is the Loomis Plaza Initiative – stop by on your way to the Bouncy House Village!

Current park-projects include the Abana Courtyard restoration, Southeast Quadrant renovation, and on-going ecological care.

The Grant Park Conservancy is funded largely by donations and we need your help! Please stop by the GPC booth at the Summer Shade Festival to purchase some SWAG or make a donation or visit us online at [www.gpconservancy.org](http://www.gpconservancy.org). We appreciate your support!

## GRANT PARK CONSERVANCY SUMMER SHADE FESTIVAL 2024

# FAQS

### **When is the Grant Park Conservancy Summer Shade Festival this year?**

The Grant Park Conservancy Summer Shade Festival is always held during the fourth weekend in August. This year's dates are Saturday, August 24 and Sunday, August 25, 2024 and is the Festival's 22nd year!

### **What is the Summer Shade Festival?**

The Summer Shade Festival is a thriving, two-day in-town festival in historic Grant Park, organized by and benefitting the Grant Park Conservancy.

### **Can I bring my dog?**

No, sorry. Dogs are not allowed at outdoor festivals, per Atlanta city ordinance [Section 110-70(d)].

### **Can I bring outside food and drink into the festival?**

We strongly encourage all of our festival attendees to patronize the fabulous food vendors we have carefully and thoughtfully selected. We are proud of the wide range of cuisine offerings and are confident that there is something for every craving and budget. You will also find several free water stations throughout the festival, so stay hydrated! It's hot, even in the shade! Please keep in mind that this is a fundraiser for the Grant Park Conservancy and all the alcohol sales benefit the park. That means you are drinking for a good cause! For this reason, outside alcohol is not allowed.

### **How many people come to the festival?**

Over the course of both days, the festival gets 30,000 visitors on average. It's a great place to meet your friends, grab a frosty beverage, do some people-watching and enjoy the free entertainment.

### **Is the festival free?**

Yes!

### **What does the festival offer for kids?**

Children of all ages can enjoy the Bouncy House Village, featuring activities such as a bungee jump, inflatable slide and more. Don't worry – we'll keep the kiddos entertained!

### **The festival is in August. What if I get too hot?**

You can visit one of several misting tents that will provide you with a cool spray as you meander through the festival. And of course, there will be plenty of cold beverages available to keep you hydrated.

### **What if I get injured at the festival?**

There is an EMT on hand to handle any injuries or medical emergencies that may occur during the festival.

### **What are the hours?**

The festival opens at 10am on Saturday and ends at 10pm on Saturday night. The artist market is open until 6pm. The festival opens again at 10am on Sunday and wraps up at 6:00pm on Sunday evening.

### **Where can I park?**

Parking in and around Grant Park will be limited, so you're going to need to get creative! We hope you will consider using alternative methods of transportation to visit the park and attend the festival.

MARTA route 832 goes through Grant Park and is a good option for getting here. Of course, you can also walk, rideshare, carpool, ride your bike and park it at the Bike Valet, ride a Relay Bike, or ride an electric scooter! Don't ride your horse because there is no place to hitch it while you enjoy the festival, and pets are not allowed. If you do choose to drive, limited parking options will include the Gateway parking deck at 759 Boulevard SE and the Cherokee lot on the west side of the park. Both are paid lots.
